According to the New York World, when it refused to support the Democratic ticket in 1896 it was patriotic, honest and deserving of the thanks of all men, but when other Democrats refused to support the ticket selected by the World in 1904 they were treasonable, shameless and vindictive. The World should use arnica on its bruises.—*The Commoner*.

"I was much afflicted with sciatica," writes Ed C. Nud, Iowaville, Sedgwick Co., Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me. I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons; all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c and \$1.00. Sold by Arcadia Valley Drug Co.

In the House of Representatives, December 8, Mr. Hepburn of Iowa moved to strike out the entire appropriation for the civil service commission. He declared that the civil service had not improved since the days of the spoils system, but on the contrary, grows less and less efficient.

### Cured Paralysis.

W. S. Baily, P. O. True, Texas, writes: "My wife had been suffering five years with paralysis in her arm, when I was persuaded to use Ballard's Snow Liniment, which cured her all right. I have also used it for old sores, frostbites and skin eruptions. It does the work." 25c, 50c and \$1.00. Sold by Arcadia Valley Drug Co.
